## ABOUT ME

I'm Altamash Mahmood, a freelance video editor with over five years of experience delivering high-quality, impactful content. I've had the privilege of working with top platforms like Kuku FM—the world's largest storytelling platform with over 50 million downloads—and Dear Sir, a YouTube channel with 20 million+ subscribers. These freelance collaborations have helped me refine my skills in editing, storytelling, and audience engagement. Through my brand, AM Frame Works, I'm committed to pushing creative boundaries and delivering innovation in every frame.

## EXPERIENCE

### Video Editor for

2021 - 2022

#### GEET MAM (1 Million+ on Insta and YT)

Collaborated with Geet Mam, a prominent content creator with 1.3 million followers on Instagram and 1.3 million subscribers on YouTube. Edited a variety of content, ensuring high-quality visuals and audio. Applied creative storytelling techniques, color correction, and grading to enhance engagement. Managed project timelines effectively, contributing to the growth and success of her online presence.

### Video Editor at

2022 - 2025

#### DEAR SIR (20 Million+ Subscribers on YT)

Worked closely with 'Dear Sir,' a prominent YouTube channel with 20 million+ subscribers, to edit and produce engaging video content. Applied advanced editing techniques, including precise cuts, seamless transitions, and impactful visual effects, to maintain high viewer retention. Collaborated with the production team to ensure videos were delivered on schedule while meeting the channel's quality standards. Contributed to the channel's success by enhancing storytelling through innovative video editing.

### Video Editor at

2023- 2025

#### KUKU FM (50+ Million Downloaders)

Worked with KUKU FM, the world's largest storytelling platform and India's leading infotainment brand, to create engaging visual content that amplified the reach of its diverse stories. Edited promotional videos, social media reels, and platform campaigns to drive user engagement and brand visibility. Focused on high-quality storytelling through precise editing, effective pacing, and impactful visuals. Ensured brand consistency across all deliverables while collaborating with the creative team to meet tight deadlines and evolving content strategies.

## EDUCATION

### St. Michael's Academy

2023 - 2024

12th Grade from CBSE Board
